

Engineering – which field?

- **Aerospace**
- **Mechanical**
- **Electrical**
- **Civil**
- **Chemical**
- **Nuclear**
- **Bioengineering**
- **Environmental**
- **Industrial**

Engineering – which job (the “what”)?

- **Design**
- **Performance analysis**
- **Testing**
- **Management**
- **Manufacturing**
- **Logistics**
- **Technical Support**
- **Marketing**
- **Education**

Engineering – which job (the “where”)?

- **Corporations**
 - large companies
 - small businesses
- **Research & Development**
 - private
 - government
- **Education**
 - colleges
 - high school
- **Entrepreneur**
- **Military**
- **Government agencies**
 - federal (NASA, FAA, National Labs)
 - local (state, city)

Engineering Positions

- **Director of Engineering/Vice President/Chief Engineer**
- **Program Manager**
 - 7007 Program Manager
- **Group Leader/Section Head**
 - Manager, propulsion
- **Principal Engineer/Project Leader**
 - compressor
- **Engineer**
 - blade aerodynamics/stall line management
- **Technician**
 - set up, run tests
- **Designer/Draftperson**
 - detailed design
